DON'T ROCK

IN THE

CK

THE DARK

CHAUVET DJ makes it easy for bands, solo musicians and other musical entertainers to create vibrant visual energy that can take the look of live gigs to new levels of professionalism and excitement. Successful bands know that portable and compact lighting systems that are easy to transport, set-up, and control are as important to great gigs as guitars and amps. From dynamic effect lights that can make stages jump to life to mood-inducing color washes, CHAUVET DJ has the lighting tools to help bands create powerful visual brands that enhance the music they're playing.

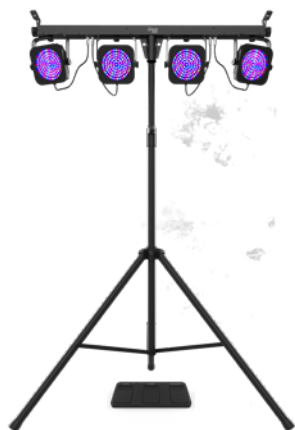

You do gigs. Light what you do with CHAUVET DJ.
