

4BAR

The 4BAR is a pack-and-go must have for DJs, bands and other performers who want a complete LED wash light system. This 15-channel DMX system includes a three-pedal foot switch, adjustable tripod, packing bag and transport case. Each of the four low-profile lights can be positioned independently. With 108 red, green and blue LEDs per light, the 4BAR offers built-in automated and sound activated programs accessible with or without the foot switch.

Highlights

- Complete wash lighting solution designed for mobile entertainers
- Achieve total room or stage coverage with 4 individually adjustable heads
- Easily set-up and tear down in minutes using the included tripod, footswitch and carry bags
- Easily set-up and tear down in minutes using the included tripod, footswitch and carry bags
- Low-profile lights are 1.6 in deep
- Create large, coordinated light shows with other 4BAR fixtures in master/slave mode
- Create large, coordinated light shows with other 4BAR™ fixtures in master/slave mode
- Generate a synchronized show in master/slave mode with easy-to-access, built-in automated programs
