

4PLAY CL

It's a pack-and-go LED moonflower package that comes complete with its own carrying case. Four individually controllable heads in clear casings can be aimed to fill any room with red, green, blue and white beams. The mounting bar features a pass-through to allow the unit to be quickly and easily added to a tripod or speaker stand.

Highlights

- Mobile, two-in-one LED effect light projects tons of beams using 4 heads with clear casing
- Light becomes part of the show with lightweight, clear casings
- Rotating, razor-sharp beams penetrate the air with no moving parts
- Safely mounts to 4BAR™ as well as most tripods and speaker stands
- Save floor space by using the included bolts for truss mounting
- Achieve maximum room coverage by positioning each head independently
- Save time running cables and extension cords by power link multiple units
- Sound-activated programs dance to the beat of the music
- Generate a synchronized show with easy-access to built-in automated programs in master/slave mode

Safely mounts to 4BAR as well as most tripods and speaker stands
