

CH-06 (T-Bar Tripod)

CH-06 is a portable, lightweight T-Bar tripod stand with a 50 lbs. (5 kg) weight capacity and quick setup and teardown time. Easy-to-hang mounting points and an extra adaptor turn the CH-06 into the perfect base for mounting small moving yoke and followspot fixtures.

Highlights

- Lightweight, compact T-bar designed for setting up lights in a tight space
- Additional adaptor for most smaller moving heads, followspots and gobo projectors
- Quick and easy setup for time-sensitive events
- 8 optional mounting points complete with hardware
