

CHS-BPK

The CHS-BPK backpack easily transports a multitude of gear and laptops. Plenty of compartments keep everything organized and easily accessible and a dedicated internal compartment features an audio cable pass-through for MP3 players or cell phones. Keep hands free with the Dual D-rings to attach large items and a quick-release keychain to store keys or thumb drives. The bag's super soft padding won't scratch or dent sensitive items during transportation.
