

## COLORband 3 IRC

The COLORband 3 IRC is a smooth, even LED strip light that is bright enough to be a blinder. It has RGB color mixing and 3 zones of control for all kinds of chases and wall washing effects. Built-in programs and sound activation let you create looks quickly in Standalone and Master/Slave modes, and quiet operation makes it great for weddings and ceremonies. For even more options use a CHAUVET® DJ DMX controller! The CHAUVET® DJ [CBB-6](#) bracket lets you create a panel of six COLORband 3 IRCs. The COLORband 3 IRC fits in the study and stylish CHAUVET® DJ [CHS-60](#) VIP Gear bag.

# Highlights

- Full-size LED strip light functions as chase effect, blinder or wall washer
- 3 zones of control create amazing chasing effects
- Convenient access to multiple pre-built programs with or without DMX
- Includes multiple DMX personalities for a wide variety of programming styles
- Nearly eliminate multicolor shadows with high-power, tri-color LEDs
- Ideal for quiet applications due to silent operation and no moving parts
- Sound-activated programs dance to the beat of the music
- Easily transports in the optional CHS-60 VIP Gear Bag
- Works with the CBB-6 to attach multiple units together
