

COLORband PiX IP

Great for use as a powerful wash with the additional eye candy of pixel mapping effects, COLORband PiX IP is a must-have fixture for mobile DJs or club installers looking for high-impact visuals on a budget. Perfect for both indoor and outdoor events, this IP65-rated fixture means you no longer have to worry about rain or a spilled drink ruining your fixtures. Use multiple units together to easily generate video effects and animations. Individual control over 12 tri-color LEDs allows for custom looks at any event while impressive, built-in programs are accessible with or without DMX.

Highlights

- Outdoor-rated LED strip light functions as a pixel mapping effect, blinder or wall washer for any temporary outdoor event
- Create amazing animations and video effects in an outdoor environment with individual LED control
- Weatherproof fixture designed for use at outdoor parties or behind wet bars
- Robust housing repels water, snow, dirt, sand and salt for all-weather applications
- Password protected and touch-sensitive digital display
- Alleviate the need to rush to set up and tear down in the rain
- Reduce the need for extra extension cords with power and data linking outputs
- Prevent internal humidity build-up and allow the fixture to breathe with the integrated GORE® valve
- Achieve flicker-free video operation with high-frequency LED dimming
- Create large, coordinated light shows with COLORband™ PiX, COLORband™ PiX Mini, and COLORband™ PiX-M fixtures in Master/Slave mode
- Easily generate complex looks with ShowXpress™ Pixels
- Easily transports in the optional CHS-60 VIP Gear Bag

Password protected and touch-sensitive digital display
