

COLORpalette

COLORpalette is a powerful wash panel fitted with 288 LEDs (96 red, 96 green, 96 blue) to emit a wash or colorful effects during any mobile application. It includes built-in, automated and sound-activated programs for plug-and-play operation, or you can create customized looks using 6, 9, 15 or 27 channels of DMX control.

Highlights

- Compact LED panel designed for applications in need of a wash light or eye candy effects
- Easily generate complex looks with built-in, automated programs featuring zone control
- Design custom light shows using ShowXpress™ Pixels
- Convenient, wireless non-DMX control using the optional IRC-6 remote
- Control via DMX, IRC-6, Standalone or Master/Slave modes
- Easily transports in the optional CHS-40 VIP Gear Bag
