

COLORrail IRC IP

COLORrail IRC IP is an outdoor-rated version of the [COLORrail IRC](#) and shares the outstanding features of its indoor counterpart, including 320 LEDs and built-in infrared technology.

Highlights

- Outdoor-rated multicolor strip light designed for any temporary outdoor event
- Alleviate the need to rush to set up and tear down in the rain
- Weatherproof fixture designed for use at outdoor parties or behind wet bars
- Save time running cables and extension cords by power linking multiple units
- Wireless, non-DMX operation is available with the optional IRC-6
- Robust housing repels water, snow, dirt, sand and salt for all-weather applications
- Create dazzling effects with 8 zones of individual control
- Generate endless effects with built-in, automated programs
- Ideal fixture for lighting any outdoor event
- Easily transports in the optional [CHS-60](#) VIP Gear Bag
- Combine multiple units together with the [CBB-6](#) mounting bracket
