

COLORstrip Mini FX

COLORstrip Mini FX is a compact, linear wash light with built-in laser effects, perfect for uplighting applications or mesmerizing effects. Built-in, dynamic laser patterns are variance free and ready to use right out of the box. Combine multiple units together for unique runway effects, or pair it with other COLORstrip fixtures for large coordinated light shows. Use the included wireless IR remote for separate color and program control. Save time by power-linking multiple units and safely transport COLORstrip Mini FX in the optional CHS-60 VIP Gear Bag.
