

Comet LED

The Comet LED uses red, green, blue and white LEDs to shoot crisp beams of light across the room. This perfect party light has energetic, sound-activated programs that allow beams to dance to the beat without any programming.

Highlights

- Four-color LED effect light generates crisp beams that cover the entire room
- Energetic, multicolored beams look great with or without fog
- Includes a rotating array of high-power red, green, blue and white LEDs
- Create swirling effects with a motor that spins in both directions
- Save time running cables and extension cords by power linking multiple units
- Sound-activated programs dance to the beat of the music
- Fits best in the CHS-40 VIP Gear Bag
