

DJ Bank FX

DJ Bank FX modifies the long standing [DJ Bank](#) and converts it into a unique effect light that projects mid-air effects. Each pod of LEDs features a customized dome lens to produce hundreds of beams that scatter throughout the room. Plug it in and let the sound-activated programs create unique patterns and chases.

Highlights

- Lightweight, compact effect light features new, redesigned lenses to project eye-catching effects that look great with or without fog
- Easily fills a room with colorful effects using a bank-style housing
- Power through ambient lighting with powerful, 3 W LEDs
- Built-in, sound-activated programs dance to the beat of the music
- Save time running cables and extension cords by power linking multiple units
