

EZGobo

EZGobo is a battery-powered LED gobo projector, that can project a custom image anywhere. Its magnetic base affixes to most metal surfaces, eliminating the need for clamps, and the scissor clip with eye loop easily attaches to drop ceiling supports, for quick setup and cable management. Wireless on/off operation is available with the included [IRC-6](#) remote, and you can easily print your own custom gobos on transparency film.

Highlights

- Battery-powered LED gobo projector projects a custom image anywhere
