

Freedom Charge 9

Freedom Charge 9 is the perfect solution for safely transporting and charging your Freedom Par fixtures. This durable, rolling road case easily handles all the punishment a mobile entertainer can throw at it. When the gig is over, simply connect the fixtures to the internal charging module and use the external plug to connect directly into standard wall voltage. The next day, your fixtures are fully charged and ready to go again. Each case holds up to 9 [Freedom Par Tri-6](#), [Freedom Par Quad-4](#) or [Freedom Par Hex-4](#) fixtures with enough space for all power cables.

Highlights

- Affordable road case charges and transports your Freedom™ Par fixtures
- Easily transports up to 9 Freedom™ Par fixtures using rugged wheels and built-in handles
- Quick and easy charging with 9 individual, internal outlets
- Conveniently transport a controller, clamps, tape and other accessories with the additional storage compartment
- Safeguard your fixtures during transportation with internal padding
