

# Freedom Charge Cyc

Freedom Charge Cyc is a compact road case that safely transports and charges Freedom Cyc fixtures. The case holds up to 6 Freedom Cyc units using rugged wheels and recessed handles, and its stackable case design allows for faster load-in and load-out times. Freedom Charge Cyc features built-in cable whips to charge fixtures directly, without the need for individual power cords.

# Highlights

- Compact road case charges and safely transports your Freedom Cyc fixtures
- Holds up to 6 Freedom Cys using rugged wheels and recessed handles
- Built-in cable whips charge fixtures directly without needing individual power cords
- Stackable case design allows faster load-in and load-out times
