

# Freedom Charge S

The Freedom Charge S is the perfect solution for safely transporting and charging your Freedom Strip Mini fixtures. This durable, rolling road case easily handles all the punishment a mobile entertainer can throw at it. When the gig is over, simply connect the fixtures to the charging module and use the external plug to connect directly into standard wall voltage. The next day, your fixtures are fully charged and ready to go again.

# Highlights

- Affordable road case charges and transports your Freedom™ Strip Mini fixtures
- Easily transports up to 4 Freedom™ Strip Mini fixtures using rugged wheels and built-in handles
- Quick and easy charging with 4 individual, internal outlets
- Includes 4 internal storage/charging compartments
- Conveniently transport a controller, clamps, tape and many other accessories with the additional storage compartment
- Safeguard your fixtures during transportation with internal padding
- Easily store and charge your cases using the detachable exterior power cable
