

Geysers RGB Jr.

The Geysers RGB Jr. is a compact version of our unique effect fogger that adds a touch of drama to any performance. This powerful fogger blasts a 15-foot high vertical stream of safe, water-based fog while simultaneously illuminating it with 9 high-power (3 W) LEDs. A combination of red, green and blue LEDs allows you to easily mix the perfect color to transform the fog into a stunning effect.

Highlights

- Produces a pyrotechnic-like effect by emitting 15-foot-high blasts of color, fog and light
- Lightweight and compact size makes it perfect for mobile applications
- Functions as a dramatic effect or powerful fogger
- Great for weddings, clubs, and small stages
- Wireless control of independent colors using the included Geysler Wireless Remote
- Increase mounting options with vertical or horizontal mounting capabilities
- Easily set standalone functions and settings using the digital display
