

Gobo Zoom USB

Gobo Zoom USB is a super compact gobo projector with a manual zoom, and wireless connectivity in master/slave and DMX mode, thanks to its embedded D-Fi USB compatibility. Gobo Zoom USB includes 10 wedding-ready gobos. Gobo Zoom USB can be controlled without DMX using the optional [IRC-6](#) remote (sold separately). Gobo Zoom USB accepts custom gobos, including patterns and messages easily printed on transparency film. Fits best in the [CHS-40](#) VIP Gear Bag.

Highlights

- Super-compact custom gobo projector, with built-in D-Fi USB compatibility that allows for instant wireless connectivity
- D-Fi USB compatibility for wireless Master/Slave or DMX control
- Control dimmer, gobo rotation and direction with the built-in display or optional IRC remote
- Manual zoom for short-throw or long-throw applications
- Includes 10 wedding ready gobos
- Access all functions via the optional IRC-6 remote
- User-configurable standalone operation provides excellent control without DMX
- Print your own custom gobos on transparency film
- Fits best in the CHS-40 VIP Gear Bag
