

Hurricane 1101

Hurricane 1101 is a water-based fogger with a 1.3-liter (0.3 gallon) tank and takes only five minutes to heat up. It features a low-fluid indicator and automatic shutdown. A wired remote is also included.

Highlights

- Compact and lightweight fog machine emits thick bursts of water-based fog to fill a venue within minutes
- Advanced fluid sensor, with automatic shut-off which protects your pump from overheating
- Features a 1.3 l tank capacity and quick 5-minute heat-up time for an output of 8,000 cfm
- Easily control using the manual fog button or included wired remote
- Enhance operation and safety with the LED-illuminated tank
