

Intimidator Scan 110

Small and mighty moving beam power! Intimidator Scan 110 is an extremely compact and lightweight LED scanner perfect for mobile applications. Energize any dance floor with fast and precise movements using either sound-activated programs that dance to the beat of the music or convenient, wireless non-DMX control using an optional [IRC-6 remote](#). Intimidator Scan 110 is a time saver too! Built-in movement macros and move-in-black features make programming fast and easy and you can save time running cables and extension cords by power linking multiple units as well. Fits best in the [CHS-40 VIP gear bag](#).
