

Intimidator Trio

The Intimidator Trio is an innovative, LED-powered moving head with beam, wash and effect features. It allows you to seamlessly change from a narrow beam to a wide wash with the motorized zoom. Its continuously rotating honeycomb delivers the excitement of an effect light and you can generate complex looks easily with built-in, eye-catching auto programs with zone control. The Intimidator Trio features built-in Totem mode that allows the beams to remain focused on the dance floor and coordinated master/slave programs for up to 4 fixtures gives an advanced look with no programming. You can set, save, and recall 1 scene directly from the full-color LCD display and convenient, wireless non-DMX control is at your fingertips using the optional IRC-6 remote. Save time running cables by power linking multiple units. Fits best in the [CHS-50 VIP Gear Bag](#)
