

IRC (Infrared Remote Control)

Get hands-free control of IRC-enabled fixtures with this easy-to-use remote control.

The infrared remote provides instant access to pre-programmed scenes, color mixing options, and on-the-fly speed adjustments.

Lightweight and compact, the IRC has a range of approximately 30ft (9m).

Highlights

- Wireless remote control for all CHAUVET® Freedom™ series and IRC products
- Let's you wirelessly select color, intensity, strobe rate and more
- Allows instant access to pre-programmed light shows
- Manually adjusts the speed time on-the-fly
