

Line Dancer

Line Dancer is a compact LED effect light that projects strips of rotating multicolored light and creates mid-air effects that blanket an entire space with eye-catching patterns. Multiple zones and adjustable rotation speeds provide spectacular animated effects. The digital display allows you to set a color and rotation speed without any controller.

Highlights

- Compact LED effect light projects strips of rotating multicolored light
- Create mid-air effects and blanket the entire room with eye-catching patterns
- Multiple zones allow for spectacular animated effects
- Adjustable rotation speeds offers dynamic shows
