

# Mega Trix

Equipped with 192 RGBW LEDs, Mega Trix is a lightweight DMX effect light that projects animations from pod to pod for a very unique look with no moving parts. Super-crisp optics create dazzling mid-air effects and sharp beams of light that cover a large area. An innovative internal mounting bracket allows for quick and easy mounting to most tripods or speaker stands with no additional clamp needed. Built-in automated and sound-activated programs can be easily triggered via DMX or stand-alone.
