

Obey 3

Obey 3 is a compact DMX controller for LED lights with three channels (red, green and blue only). Playback options include automated, sound-activated or manual RGB color mixing. The Obey 3 is a perfect controller for a lighting novice or someone who wants to easily control their LED washes.

Highlights

- Compact DMX controller designed for RGB LED fixtures with 3 channels
- Increase flexibility with 3 playback modes
- Access fade effects using the adjustable blackout button
- Instantly change or fade between colors using 9 preset colors
- Easily emit strobe effects with the adjustable strobe function
- Save time selecting colors with built-in color macros
- Sound-activated programs dance to the beat of the music
- Trigger built-in automated programs complete with master dimmer levels and adjustable chase and fade time
