

Techno Strobe 168

With built-in speed and intensity adjustments, Techno Strobe 168 is a white, 2-channel DMX strobe light. This powerful fixture is perfect for a variety of applications and can run all night while utilizing very little power.

Highlights

- Lightweight, LED strobe light designed for a variety of mobile applications
- Create your desired look with or without DMX using built-in speed and intensity adjustments
- Operates throughout entire gigs due to low-power consumption and no duty cycle
- Activate built-in automated and sound-activated programs, or control in DMX or master/slave mode
- Save time running cables and extension cords by power linking multiple units
- Fits best in the CHS-40 VIP Gear Bag
- Compact design easily fits inside sticks of TRUSST®
