

## WRC

WRC wirelessly triggers atmospheric output in most CHAUVET DJ Geysers and Hurricane Bubble Haze X2 Q6 while also allowing users to easily view the machine heating status from two LED indicators.

# Highlights

- Wirelessly trigger fog output in most Geysers and the Hurricane Bubble Haze X2 Q6 machines
- Displays the machine's status (heating or ready) with 2 easily identifiable LED indicators
- Triggers up to 4 different color combinations
- Magnetic receiver quickly affixes to the metal surface
- Receives power directly from the machine
