

Eve TF-20X

HIGHLIGHTS

- Soft edge accent luminaire designed for mobile and installation applications
- Constant Current Reduction (CCR) dimming works with conventional dimmers
- Track adaptor included fits most single and dual circuit tracks
- Suitable for every event with either black or white housing
- Classic Fresnel style gives the feeling of stage and theatrical lighting
- Included barn doors block excess light from stage and unwanted areas
- Includes Gel frame to add custom colors when needed
- Achieve flicker-free video operation with CCR LED dimming
- Standard power cord attached for mobile use right out of the box
- Includes track light adaptor for easy addition to existing track lighting systems
- MET certified, perfect for retrofitting and new installations
