

# Hurricane Haze 2DX

Enhance any light show with Hurricane Haze 2DX, a quiet and compact water-based haze machine that produces continuous output. Its selectable blower speeds and adjustable output nozzle let you send the right amount of haze wherever you need it with ease. With multi-control options of standalone, remote, and DMX, set the atmosphere your way with Hurricane Haze 2DX.

## HIGHLIGHTS

- Compact hazer creates a thin atmosphere to enhance any light show
- Adjustable output angle ensures haze goes wherever needed
- Emits continuous output after the initial warm-up time
- Includes wired timer remote for stand-alone operation
- Quiet fans allow the unit to be used in any environment
- Low-fluid indicator automatically turns off the machine when the tank is empty
- Digital display easily sets DMX functions and haze stand-alone settings
- Small footprint allows the machine to be placed in any location

## SPECIFICATIONS
