

# Sentinel Wash Q120

Mix saturated color washes with its intense 120W RGBW LED. Call up built-in automated programs that instantly synchronize its wide pan and tilt movement in Master/Slave mode to create cutting-edge light shows. The versatile Sentinel Wash Q120 brings all the essential moving wash features with no compromise. Smooth motion, consistent color and easy control, all in a compact size ideal for your next party gig.

## HIGHLIGHTS

- Cutting-edge moving head wash fitted with an intense RGBW color mixing LED
- Fresnel lens for a polished, dramatic effect
- Wireless, non-DMX operation is available with the optional IRC-6 remote
- Onboard USB-C port allows for quick software updates
- Simple navigation and a full text readout with the full-color LCD screen
- Generate a synchronized show in Master/Slave mode with easy-to-access, built-in automated programs
- Save time running extension cords by power linking multiple units
