

SlimPAR Pro Q USB

HIGHLIGHTS

- LED Par designed for any application in need of a high-power quad-color (RGBA), low-profile wash light
- D-Fi USB compatibility for wireless Master/Slave or DMX control
- powerCON®-compatible power input/output connections for power linking
- Compatible with most 7.5" Barndoors for added light control
- Generate a broad spectrum of colors and achieve natural-looking color temperatures with punchy amber LEDs
- Flicker-free operation suitable for on-camera use
- Easily control static colors and automated programs with the optional IRC-6 remote
- Ideal for quiet applications due to silent operation and no moving parts
- Increase standalone versatility with multiple user-configurable settings
- Save time running cables and extension cords by power linking multiple units
- Fits best in the CHS-30 VIP Gear Bag
- Compact design easily fits inside sticks of TRUSST®
